

SHREWSBURY TOWN FOOTBALL CLUB SUPPORTERS CODE OF CONDUCT

Shrewsbury Town FC is a family club open to all and we make every effort to make everyone feel welcome when they come to Montgomery Waters Meadow.

The Club will not tolerate unacceptable conduct at Montgomery Waters Meadow or at away football stadiums.

Unacceptable conduct brings the Clubs excellent reputation into disrepute.

It is recognised that football is a passionate game and supporters will have their own way of expressing their support and reactions. This is acceptable and welcomed as it often adds positively to the match day experience.

Shrewsbury Town FC expects all of our supporters to conduct themselves in a way that represents the values of the Club. Conduct which jeopardises the safety and enjoyment of others or is likely to bring the Club into disrepute is not acceptable and will not be tolerated.

Unacceptable conduct is conduct considered to be violent or disorderly. Violent conduct includes any actual, attempted or threatened physical violence against any person, or intentional damage to property.

Disorderly conduct includes that which is designed to create hatred or ill will towards individuals or groups based on their:

Gender, colour, race or religion: Sexual orientation: Transgender identity or disability:

Using threatening or abusive language or conduct:

Displaying anything which is threatening, abusive or insulting:

In respect of any individual who is guilty of a football related offence or is in breach of EFL Ground Regulations either at Montgomery Waters Meadow or when visiting other stadia the club (and where necessary the Police) will take appropriate action.

Such action is likely to include:

- Refusal of entry to, or ejection from the stadium followed by a written warning
- Temporary and / or indefinite club or Football Banning Order from attending Shrewsbury Town FC home and away fixtures;
- Report to the police potentially resulting in criminal proceedings leading to banning orders for all matches and / or custodial sentences.

It is recognised that the action taken will be relevant to each individual case and Shrewsbury Town work closely with West Mercia police to share and collate information regarding any supporters involved in unacceptable conduct and behaviour at both home and away fixtures.
