## PEDESTRIANS

From Shrewsbury Town Centre, proceed to the English Bridge and at the first set of traffic lights, turn right into Coleham Head. Continue on the main road which is Belle Vue Road and Hereford Road, until you reach the BP Garage on your left, which is close to Meole Brace Roundabout.

From Meole Brace Roundabout or Old Potts Way supporters have a choice of either using the footpaths on either side of Oteley Road or the public right of way from the underpass at the back of Meole Brace Retail Park which gives access to the Montgomery Waters Meadow at the rear of the west stand.

From the Sutton area use the footpath to the traffic signal controlled access road to the stadium.

## CYCLISTS

Cycle racks are provided at each corner of the stadium. A guide to cycle routes produced by Shropshire County Council is available from the Club's offices and Council outlets. Further information is also available at [www.shropshire.gov.uk/cycling.nsf](http://www.shropshire.gov.uk/cycling.nsf). A further link - [www.transportdirect.info](http://www.transportdirect.info) - will assist cyclists to find a cycle route to the Montgomery Waters Meadow direct from their chosen starting point in Shrewsbury.

Cycling is one of the most convenient ways of getting to and from the Montgomery Waters Meadow. We would encourage you to use a bicycle and at the same time to keep in trim!

## MOTORCYCLISTS

Parking spaces are available on site for motor cycles. Motor cyclists may also use the Park and Ride and Park and Walk facilities highlighted elsewhere in this Plan.

## NOTES

## TRAVEL PLAN

The Football Club have worked closely with the Liaison Group and Shropshire Council to produce a comprehensive travel plan for the stadium.

The Club is restricted to **670** parking places at the stadium and this means that there are no spaces available for fans without a permit to park at the stadium. Parking is strictly controlled by permits and if you do not have a permit then please don't try to park at the ground.

The Travel Plan outlines the different options for parking such as the Park & Ride buses, the Park & Walk sites as well as other express buses from town.
