TRAVEL PLAN

The Football Club have worked closely with the Liaison Group and Shropshire Council to produce a comprehensive travel plan for the stadium.

The Club is restricted to **670** parking places at the stadium and this means that there are no spaces available for fans without a permit to park at the stadium. Parking is strictly controlled by permits and if you do not have a permit then please don't try to park at the ground.

The Travel Plan outlines the different options for parking such as the Park & Ride buses, the Park & Walk sites as well as other express buses from town.
